

THIRD PARTY ADMINISTRATION SERVICES

Synernet offers full third party claims administration and fund administration services for self-insured workers' compensation programs in Maine. Synernet is a leader in providing workers' compensation services to the healthcare industry.

Synernet currently provides workers' compensation services to over 25 Hospitals and healthcare organizations in Maine. By specializing in hospitals and the healthcare industry, Synernet understands the healthcare industry and is uniquely qualified to meet their workers' compensation needs.

We can structure our services to meet your unique needs. We can provide full administration of your program, from financial to claims management, or we can provide targeted services to meet your specific needs.
